About Odoo

The only platform you will ever need to help run your business: Integrated apps, kept simple, and loved by millions of happy users.

Our family of apps works seamlessly together - giving you the ability to automate and track everything you do - centralized, online, and accessible from anywhere with any device.

The **open-source development model** of Odoo has allowed us to leverage thousands of developers and business experts to build the world's largest ecosystem of fully integrated business apps.

You have access to a team!

1

Your Odoo Success Manager

Your Odoo Success manager will guide you in the first steps in setting up Odoo. If you work together with a partner such as makemyday.biz, your success manager will team up and get you on your way!

2

makemyday.biz, Lina Nijman

Your Odoo Partner, makemyday.biz, will help you with your implementation and guides you on which data to gather. If needed you can get assistance on data optimization and business development. Training for your staff can also be arranged.

3

Accounting,

Whether you work with your own accounting firm, or want to have a recommendation from us, know that we'll work together with accounting specialists to set up your business for success, insight and growth!
